

# ST. JOHN THE BAPTIST PASTORAL COUNCIL MEETING

Monday, Oct. 7, 2019  
5:30 p.m. – Shannon Hall

## AGENDA – MEETING CALLED TO ORDER AT 5:30 P.M.

- 1) Approve Previous Minutes
  - Sept. 9, 2019, Meeting – Gary McAndrew motioned to approve. Eben Krapfl second.
- 2) Financial Report
  - Brian Gilligan asked about the raise in the Regional Assessment. Tom Bechen will ask about that.
- 3) Father Mike's update
  - Tom Bechen gave Father Mike's update. Committee will get back by end of November regarding the carpet. We had three quotes. Still plan to do it early next year.
  - Hearing Loop for senior citizens. A system that is a grid that goes under pews and connects to hearing aids or implants, Tom Bechen explained. The best time to do this is when the carpeting is being done. Discussion focused on whether it was wireless. The decision was made to get a quote, but the thought was something better would probably be coming soon if this system is not wireless.
- 4) Unfinished Business
  - Fall Auction
    - Lenny/Rob will get start-up cash.
    - Brian/Ken will set up silent auction Saturday.
    - Fund-a-cause for carpet project will be announced by auctioneers. Dick asked if the project should be announced during Mass prior to the auction. Brian will get something written up for the auctioneers.
    - A table will be set up Friday night for drop off items.
    - Set up will be Saturday.
    - Council decided didn't need a back-up generator.
    - Parking assistance was done by Herbie Dolphin. Eben will check with him to do it again this year.
