

ST. JOHN THE BAPTIST PASTORAL COUNCIL MEETING

Monday, April 27, 2020

5:30 p.m. – Via Zoom

AGENDA – MEETING CALLED TO ORDER AT 5:30 P.M.

- 1) Approve Previous Minutes
 - March 2, 2020, Meeting – Brian Gilligan motioned to approve, Gary McAndrews second.
- 2) Financial Report
 - Fr. Mike went over the church accounts. All projects currently under way were fully funded. St. John applied and received a Paycheck Protection Act loan that will pay salaries through the end of June. If 75 percent of the loan is used on salaries, the loan is forgivable.
 - St. John is taking in about one-third of the normal Sunday collections.
- 3) Old Business
 - City of Peosta request for church property to put a road from the roundabout to Enterprise Drive. Fr. Mike said it's hard to visual how this is beneficial to the church, and safe for parishioners. Father's personal opinion is to not do this. Tom Bechen will let the city know that we have discussed the issue and we would like to see a revision of their plan.
 - Hearing Loop. The DRA has delayed decisions concerning grants. We are unsure if and when we would receive a grant. Chad Lukes has received a second quote - \$1,000 less than previous quote. Could be lower if volunteers help with some of the work. Chad said we would need them to come onsite to get an actual quote, but that is not possible right now. Father believes given the pandemic climate we likely would not receive a grant anyway. The first step would need to be setting up the onsite visit. The Hearing Loop has to be coordinated with the carpet project, currently scheduled for June.
 - Brian gave an update on the landscaping done last year, and reports that it is looking good.
- 4) Motion to adjourn by Brian Gilligan; Dick Hoefer second
