

Women of Service Meeting

Wednesday, March 9, 2022

Women of Service had another successful gathering on March 9th in St. Patrick Church basement. Sixteen women were present. Some wrote Easter cards or thinking of you cards to nursing home residents, the homebound, or the ill. The remainder of the women worked with plastic bags in the making of Plarn mats for the homeless. We are fortunate to now have two weaving looms, enabling the actual weaving process to be completed more quickly. Two women brought plastic bag pillows with fabric covers that could be given with the mats.

To further our mission of Women Helping Women, many female items were donated. These items were taken to the YWCA Crisis Service Program. The staff there was amazed and thoroughly grateful to receive these items.

Mark your calendars for our next meeting on Wednesday, May 11th from 11:00 AM to 1:00 PM in St. Patrick Church basement. Our projects are yet to be determined, so watch for future announcements. As always, any woman of any faith or town is welcome to join us. We are always open to suggestions for new projects that will help others. Please call 563-543-3721 with any questions.
