Parish Life

- Walk-in-freezer: Continue to move forward with walk in freezer. There will be some costs to prepare the site for the freezer but no plans have been completed yet. Anticipate by May to be completed.
 - \$100 Banquet: The banquet will be held February 4 at Locals. Silkers will be catering Chicken and roast beef.
 - Faith Formation Building- The boiler is not reliable and no one works on steam boilers anymore. It's expensive to run (gas bill approx. \$1600/mo). Not sure what to do with the building but need to do something before next winter. Will possibly have a committee do a long term plan.
