- Walk-in-freezer: Continue to move forward with walk in freezer. There will be some costs to prepare the site for the freezer, but no plans have been completed yet. Anticipate being completed by late summer.

Rod Gavin updated the council on the walk-in freezer progress. Motion to put up to \$10,000 toward installation of the walk-in freezer. Motion by: Wilgenbusch; 2nd by: Ostwinkle; Approved: 5-0

- Faith Formation Building- The boiler is not reliable, and no one works on steam boilers anymore. It's expensive to run (gas bill approx. \$1600/mo.). Not sure what to do with the building but need to do something before next winter. Will possibly have a committee do a long-term plan. Checking on the possibility of installing heating/cooling units for each room in FFB.
 - Elections will be held at all parishes on May 13th and 14th at all masses. On the ballot for St. Patrick's will be Joyce McDermott and Andy Kramer.
